**GLOBAL NOTES AND DISCLAIMERS REGARDING STATEMENT OF
FINANCIAL AFFAIRS AND SCHEDULE OF ASSETS AND LIABILITIES FOR USA
CAPITAL DIVERSIFIED TRUST DEED FUND, LLC,
CASE NO. BK-S-06-10727 LBR FILED APRIL 13, 2006**

These Global Notes and Disclaimers (the “Global Notes”) Regarding the Schedule of Assets and Liabilities and the Statement of Financial Affairs (the “Schedules and Statements”) for USA Capital Diversified Trust Deed Fund, LLC (the “Debtor”) are incorporated by reference in, and comprise an integral part of, the Schedules and Statements, and should be referred to and reviewed in connection with any review of the Schedules and Statements.

General Disclosures

1. The Schedules and Statements have been prepared by the Debtor’s management and are unaudited. While management of the Debtor has made every effort to ensure that the Schedules and Statements are accurate and complete based on information that was available at the time of preparation, the subsequent receipt of information may result in material changes to the financial data contained in the Schedules and Statements and inadvertent errors or omissions may exist. To the extent the Debtor discovers a material error or omission, or becomes aware of additional information that may suggest a material difference, the Debtor will amend the Schedules and Statements to reflect such changes.
2. Unless otherwise indicated, all amounts are listed as of April 13, 2006 (the “Petition Date”), the date that the Debtor commenced its chapter 11 case in the Bankruptcy Court for the District of Nevada (the “Bankruptcy Court”).
3. It would be prohibitively expensive and unduly burdensome to obtain current market valuations of the Debtor’s property interests. Accordingly, unless otherwise indicated, net book values, as of the Petition Date, rather than current market values of the Debtor’s interests in property, are reflected on the Debtor’s Schedules and Statements.
4. Any failure to designate a claim on the Debtor’s Schedules as disputed, contingent, or unliquidated does not constitute an admission by the Debtor that such amount is not disputed, contingent, or unliquidated. The Debtor reserves all of its rights with respect to the claims listed in the Schedules and Statements, including, without limitation, the right to (i) assert offsets or defenses to any claim, (ii) dispute any claim on any basis, including, without limitation, as to amount, liability or classification or (iii) designate any claim as disputed, contingent or unliquidated.
5. The claims of individual creditors for, among other things, goods, products, services or taxes are listed as the amounts entered on the Debtor’s books and records and do not reflect credits or allowances that may be due from such

creditors to the Debtor. The Debtor reserves all of its rights regarding any and all such credits and allowances.

6. The Debtor has sought to discover and properly classify all claims and interests in this case, and to list all claims and interests against this estate accurately and completely. However, the Debtor will review its records and other information on an on-going basis to determine whether these Schedules and Statements should be supplemented or otherwise amended. The Debtor reserves the right to file, at any time, such supplements or amendments to these Schedules and Statements as it deems appropriate. These Schedules and Statements should not be considered the final word on the Debtor's assets and liabilities as of the Petition Date, but rather the Debtor's current compilation of such information based on its investigations to date. All parties are encouraged to inform the Debtor or its counsel should they believe any part of these Schedules and Statements to be inaccurate, incomplete or in need of supplementation in any way.

Notes to Schedules

Schedule B Notes

Exhibit B-16 Notes-Accounts Receivable

The Debtor accounts for gross accounts receivable and allows for doubtful accounts in accordance with Generally Accepted Accounting Principles. The accounts receivable for notes payable, interest and fees are listed at the accrued amounts and no determination of the collectibility of these accounts has been determined for purposes of this Schedule.

Exhibit B-21 Notes-Other Contingent & Unliquidated Claims

The Debtor may be entitled to tax refunds for various federal, state and local taxes. As of the time of filing of these Schedules and Statements however, it is not certain whether the Debtor will ultimately receive any tax refunds.

The Debtor may be a party to one or more lawsuits in which it has asserted claims as a plaintiff or in which it has asserted counter-claims, third party claims or cross-claims. The Debtor may also have unasserted claims against known or unknown parties. The ultimate value of such claims cannot be determined at this time.

Exhibit B-23 Notes

The Debtor owns (or has the right to use) various licenses in the operation of its business, including, but not limited to business licenses and various other licenses and permits. The value of these licenses and permits has not been determined.

Schedule D Notes

The Debtor has not verified the perfection, nature, extent, validity and priority of the liens and/or security interests described in Schedule D. Nothing contained in Schedule D shall affect the ability of the Debtor or any, if any, of the Official Committees appointed in these jointly administered cases of the Debtor and affiliates to investigate and/or challenge the perfection, nature, extent, validity and priority of any lien or security interest purportedly granted to a secured creditor listed on Schedule D, or to otherwise seek to recharacterize any such claim or any portion thereof.

Certain of the agreements listed on Schedule G may be in the nature of conditional sales agreements or secured financings. No attempt has been made to identify such agreements for purposes of including them on Schedule D, and accordingly the Debtor reserves all rights with respect thereto.

Lessors, utility companies and other parties which may hold security deposits have not been listed on Schedule D.

Although other liens may exist of which the Debtor is unaware, the Debtor believes such liens would be not be material, individually and in the aggregate.

Schedule E Notes

Pursuant to various orders issued by the Bankruptcy Court, the debtors in these jointly-administered cases, including the Debtor herein, were authorized to pay various outstanding pre-petition unsecured priority claims, including certain employee wage and benefit claims. Prepetition claims that have been paid pursuant to such authority have not been listed in Schedule E. Notwithstanding the foregoing, however, certain claims listed herein may have been satisfied after the compilation of the claim data listed in Schedule E. Accordingly, certain extinguished claims may inadvertently be listed and the Debtor reserves all of its rights to amend or supplement this statement and/or to dispute such claims in any manner, including, without limitation, disputing that any such claimants retain a claim in these chapter 11 cases.

The Debtor's characterization of the claims listed in Schedule E as priority claims is preliminary in nature and the Debtor reserves the right to dispute or challenge whether such claims are entitled to priority.

Schedule F Notes

The value of certain claims contained in Schedule F are based on a preliminary review of prepetition invoices and other documentation and financial information that was available at the time of the filing of these Bankruptcy Schedules. The Debtor expects to receive additional prepetition invoices and other documentation and financial information regarding certain of these listed claims in the future. Therefore, the actual unpaid claims of creditors that may be allowed in these cases may differ from the amounts set forth in Schedule F.

Schedule F includes amounts owed to certain direct Lenders on loans serviced by the Debtor for which principal repayments (complete or partial) were received prior to the Petition Date by the Debtor but not remitted to the direct Lenders. Schedule F does not include certain deferred charges or deferred liabilities. Such amounts are, however, reflected on the Debtor's books and records as required in accordance with generally accepted accounting principles.

Certain of the claims listed in Schedule F could be entitled to administrative priority treatment pursuant to section 503(b)(9) of the Bankruptcy Code or otherwise. However, the claims listed in Schedule F arose or were incurred on various dates, and a determination of the date upon which each claim in Schedule F was incurred or arose would be unduly burdensome and cost prohibitive. Accordingly, the Debtor has not included such dates or attempted to separately identify any claims that might be entitled to such priority treatment.

Schedule G Notes

The Debtor hereby reserves the right to dispute the validity, status or enforceability of any contracts, agreements, leases or documents set forth in Schedule G and to amend or supplement this statement. Notwithstanding the inclusion of a particular contract, agreement, lease or document in this Schedule G, the Debtor hereby reserves the right to assert that such contract, agreement, lease or document is not an executory contract or unexpired lease within the meaning of Section 365 of the Bankruptcy Code.

Certain of the contracts, agreements and leases listed on the Exhibits to Schedule G attached hereto may have expired or may have been modified, amended and supplemented from time to time by the conduct of the parties, various amendments, restatements, waivers, estoppel certificates, letters and other documents, instruments and agreements which may not be listed herein. Accordingly, any and all contracts listed on Schedule G are the same as may be or have been modified, amended and/or supplemented from time to time.

Certain of the agreements listed on Schedule G may be in the nature of conditional sales agreements or financing arrangements. The Debtor reserves all rights to dispute or challenge the characterization of the structure of any transaction, or any document or instrument related to a creditor's claim.

Certain address information for various contracts was not readily available at the time of the filing of these schedules. However, all parties listed on Schedule G will be notified of the claims bar date when set and will be provided with a proof of claim form.

While every effort has been made to make Schedule G accurate and complete, errors or omissions may have occurred. The Debtor does not make any representation or warranty as to, or the validity or enforceability of any contracts, agreements, leases or documents listed herein. The Debtor reserves the rights to amend or supplement Schedule G as necessary.

Schedule G does not include short-term purchase orders used in the normal course of operations due to their large number and transitory nature.

Notes to the Statement of Financial Affairs

Question 3c

The management of the Debtor maintained a complex network of real estate investments partnerships and LLC's. The Debtor has attempted to list all payments made to entities known to be affiliates of the Debtor, including Investment Partners LLC, a company under the same ownership as the Debtor, and its affiliates, and the Managers and their relatives. The Debtor reserves the right to amend this Statement of Financial Affairs if and when additional information or additional affiliates are identified.

Payments made by the Debtor to its members who did not own a 5% interest or more in the Debtor and are not related parties or insiders have not been listed.

Question 4a

The Debtor reserves all of its rights and defenses with respect to the listed suits and administrative proceedings. The listing of these suits and proceedings shall not constitute an admission by the Debtor of any liability or that the actions or proceedings were correctly filed against the Debtor or any affiliates of the Debtor, and the Debtor reserves its right to assert that neither the Debtor nor any affiliate of the Debtor is an appropriate party to such actions or proceedings.

Question 8

The Debtor has excluded de minimus and ordinary course losses that are below the company's insurance deductibles and are not recorded by the company with any degree of particularity.

Question 9

Payments related to the bankruptcy made on behalf of or benefiting the affiliated Debtors are listed in the Question 9 Attachment relating to the Debtor which disbursed the funds. The payments were intended to benefit all of the affiliated Debtors.

Question 10(a)

While the Debtor's management has endeavored to list all property transferred outside of the ordinary course of business within the two years immediately preceding the Petition Date, the Debtor may have made transfers of assets that are not listed herein, and the Debtor reserves all rights to amend the list as may be necessary or appropriate.

Question 13

Aside from possible de minimus setoffs of which the Debtor is not aware, the Debtor does not incur setoffs in the ordinary course of business, and accordingly does not believe that it has incurred any material setoffs in the 90 days preceding the commencement of these cases.

Question 19d

The financial affairs and businesses of the Debtor and the Debtor's affiliates are far reaching and complex. The Debtor and its affiliates also have numerous relationships with various vendors, lenders, other creditors and other interested parties. As such, the Debtor has or may have provided financial information to various financial institutions, customers, suppliers, equity holders, potential Lenders, governmental authorities, rating agencies and other interested parties. The Debtor kept no record of parties furnished with financial statements.

Question 23

Compensation and withdrawals by the insiders have been listed in response to Question 3c.
